

Island Yacht Club, Inc. of Wilson, NY, shall award a sailing scholarship to one or two deserving youth in memory of one of their former members.

Steve Schultz was a longtime member of the IYC and served the club in many capacities. He personified the mission of the IYC "The object of this Club shall be to encourage the sport of Yachting, to promote the science of Seamanship and Navigation and to provide a suitable Club House and Anchorage for the recreation and use of its members."

His life was cut short in 2003 due to complications from an illness, but Steve's love for sailing still lives on in the many lives that he touched. He is remembered as an exemplary leader, teacher, and friend, who loved sailing and enjoyed introducing others to it.

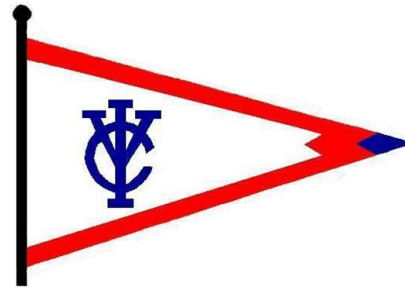

If you or someone you know exhibits some of the same or other positive qualities, the Island Yacht Club invites you to apply and begin your sailing journey.
